Request for Police Department Data

Minnesota State Law (Chapter 13) regulates the dissemination of government and law enforcement data. There are three main classifications for Data on Individuals: Public Data, Private Data and Confidential Data. There are three types of Data Not on Individuals: Public Data, Nonpublic Data, Protected Nonpublic Data. **Definitions can be located in Minn. Stat. § 13.02.**

PUBLIC DATA: If you are requesting public data, the requestor information is not required. You are asked to provide the information, but you are not required by state law to identify yourself, state a reason or to justify your request to gain access to public government data. Your information provided will only be used to facilitate your request, notify you if there are questions, or to notify you when the request has been completed. If you refuse to provide the requested information, this may result in delay of the processing of the request, and it will be your responsibility to contact this department to determine the status of the request.

NONPUBLIC OR PRIVATE DATA: If you are requesting nonpublic or private data, you will be required to show proof of identity, complete the requestor information and provide a signature and date of birth.

REQUESTOR INFORMATION - PRINT CLEARLY:
