The provisions of M.S. Ch. 340A, as they may be amended from time to time, with reference to the definition of terms, conditions of operation, restrictions on consumption, provisions relating to sales, hours of sale, and all other matters pertaining to the retail sale, distribution, and consumption of intoxicating liquor and 3.2% malt liquor are hereby adopted by reference and are made a part of this Chapter as if set out in full. It is the intention of the City Council that all future amendments to M.S. Ch. 340A are hereby adopted by reference or referenced as if they had been in existence at the time this Chapter is adopted.

§ 111.02 CITY MAY BE MORE RESTRICTIVE THAN STATE LAW.

The Council is authorized by the provisions of M.S. § 340A.509, as it may be amended from time to time, to impose, and has imposed in this chapter, additional restrictions on the sale and possession of alcoholic beverages within its limits beyond those contained in M.S. Ch. 340A, as it may be amended from time to time.

§ 111.03 DEFINITIONS.

In addition to the definitions contained in M.S. § 340A.101, as it may be amended from time to time, the following terms are defined for purposes of this chapter:

LIQUOR. As used in this chapter, without modification by the words “intoxicating” or “3.2 percent malt,” includes both intoxicating liquor and 3.2 percent malt liquor.

RESTAURANT. An eating facility, other than a hotel, under the control of a single proprietor or manager, where meals are regularly prepared on the premises, where full waitress/waiter table service is provided, where a customer orders food from printed menus and where the main food course is served and consumed while seated at a single location. To be a Restaurant as defined by this section, an establishment shall have a license from the state as required by M.S. § 157.16, as it may be amended from time to time, and meet the definition of either a “small establishment,” “medium establishment” or “large establishment” as defined in M.S. § 157.16, Subd. 3d, as it may be amended from time to time. An establishment which serves prepackaged food that receives heat treatment and is served in the package or frozen pizza that is heated and served, shall not be considered to be a restaurant for purposes of this chapter unless it meets the definitions of ‘small establishment’, ‘medium establishment’ or ‘large establishment’.

§ 111.04 NUDITY ON THE PREMISES OF LICENSED ESTABLISHMENTS PROHIBITED.

(A) The City Council finds that it is in the best interests of the public health, safety, and general welfare of the people of the city that nudity is prohibited as provided in this section on the premises of any establishment licensed under this chapter. This is to protect and assist the owners, operators, and employees of the establishment, as well as patrons and the public in general, from harm stemming from the physical immediacy and combination of alcohol, nudity, and sex. The Council especially intends to prevent any subliminal endorsement of sexual harassment or activities likely to lead to the possibility of various criminal conduct, including prostitution, sexual assault, and disorderly conduct. The Council also finds that the prohibition of nudity on the premises of any

establishment licensed under this chapter, as set forth in this section, reflects the prevailing community standards of the city.

(B) It is unlawful for any licensee to permit or allow any person or persons on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material. It is unlawful for any person to be on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material.

(C) A violation of this section is a misdemeanor punishable as provided by law, and is justification for revocation or suspension of any liquor, wine, or 3.2 percent malt liquor license or the imposition of a civil penalty under the provisions of § 111.99(B).

Penalty, see § 111.99

§ 111.05 CONSUMPTION IN PUBLIC PLACES.

No person shall consume intoxicating liquor or 3.2 percent malt liquor in a public park, on any public street, sidewalk, parking lot or alley, or in any public place other than on the premises of an establishment licensed under this chapter, in a municipal liquor dispensary if one exists in the city, or where the consumption and display of liquor is lawfully permitted.

State law establishes the number of liquor licenses that a city may issue. However, the number of licenses which may be granted under this chapter is limited to the number of license which were issued as of the effective date of this chapter, even if a larger number of licenses are authorized by law or election. The Council in its sound discretion may provide by ordinance that a larger number of licenses may be issued up to the number of licenses authorized by M.S. Ch. 340A, as it may be amended from time to time. If a larger number of licenses in a particular category has been authorized by a referendum held under the provisions of M.S. § 340A.413, Subd. 3, as it may be amended from time to time, but not all of them have been issued, the larger number of licenses is no longer in effect until the Council by ordinance determines that any or all of the licenses may be issued. (C) Lapse of required proof of financial responsibility shall effect an immediate suspension of any license issued pursuant to this chapter or state law without further action of the Council. Notice of cancellation or lapse of a current liquor liability policy shall also constitute notice to the licensee of the impending suspension of the license. The holder of a license who has received notice of lapse of required insurance or of suspension or revocation of a license may request a hearing thereon and, if a request is made in writing to the Clerk/Administrator, a hearing before the Council shall be granted within ten days. Any suspension under this division (B) shall continue until the Council determines that the financial responsibility requirements of state law and this chapter have again been met.

§ 111.50 PROOF OF FINANCIAL RESPONSIBILITY.

The city shall demonstrate proof of financial responsibility required by licensees of retail intoxicating liquor establishments under the provisions of M.S. § 340A.409, as it may be amended from time to time.

§ 111.51 ISSUANCE OF OTHER LICENSES.

(A) *On-sale licenses for the sale of intoxicating liquor.* The Council may issue in its sound discretion on-sale licenses to a club under M.S. § 340A.404, Subd. 1(4), as it may be amended from time to time. If the voters have authorized their issuance at a special election called for that purpose, the Council may issue on its sound discretion on-sale liquor licenses to hotels and restaurants. The number of on-sale licenses issued under this section is governed by M.S. § 340A.413, as it may be amended from time to time, as limited by the provisions of this chapter. The issuance of these licenses is governed by the provisions of this chapter.

(C) *On- and off-sale 3.2 percent malt liquor licenses.* The Council may issue 3.2 percent malt liquor licenses in its sound discretion as provided in this chapter.

§ 111.99 PENALTIES.

(B) The Council shall impose a civil penalty of up to \$2,000 for each violation of M.S. Ch. 340A, as it may be amended from time to time, and of this chapter. Conviction of a violation in a court of law is not required in order for the Council to impose the civil penalty. A hearing under the Administrative Procedures Act, M.S. §§ 14.57 to 14.70, as it may be amended from time to time, is not required before the penalty is imposed, but the

Council shall hold a hearing on the proposed violation and the proposed penalty and hear any person who wishes to speak. Non-payment of the penalty is grounds for suspension or revocation of the license. The following is the minimum schedule of presumptive civil penalties which must be imposed in addition to any suspension unless the licenses is revoked:

(C) The term ‘violation’ as used in this section includes any and all violations of the provisions of this chapter, or of M.S. Ch. 340A, as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time. The number of violations shall be determined on the basis of the history of violations for the preceding 3-year period. § 111.100 DELINQUENT TAXES, ASSESSMENTS AND CHARGES

The council, in its discretion, shall have the right to refuse to issue or renew a permit for the sale of intoxicating liquor on any premises on which taxes, assessments or other financial claims of the city are delinquent or unpaid. Purpose: The purpose of this chapter is to protect the public health, safety and welfare, by establishing a program to identify and register vacant buildings and by determining what actions the City will take and what actions the owners of the buildings must take.

Subd. 1. Findings.

The City Council finds that buildings which remain vacant and unoccupied for any significant period of time become an attractive nuisance to children, a harborage for rodents, an invitation as a temporary abode, an increased fire hazard, an increased risk of explosion due to the theft of internal piping, and that unkempt grounds surrounding such property invite the dumping of garbage and rubbishes; that such buildings are often permitted to become dilapidated; that such buildings contribute to the growth of blight within the City, depress the market values of surrounding properties to the detriment of the various taxing districts and require additional governmental services; that the use and maintenance of property in such condition and manner endangers the public safety and health, constitutes an unreasonable use and conditions to the annoyance, discomfort and repose of a considerable number of the public, is detrimental to the public good and to the common welfare; and renders a considerable number of the public insecure in the use and enjoyment of their property, and thus may constitute a nuisance condition. Adequate protection of public health, safety and welfare, therefore, requires the establishment and enforcement of the means by which such nuisance conditions may be abated.

§ 115 AN INTERIM ORDINANCE PLACING A MORATORIUM ON THE SALE OF HEMP DERIVED TETRAHYDROCANNABINOL (THC) FOOD AND BEVERAGES WITHIN THE CITY OF AVON

SECTION 1: Purpose and Intent

A. The City of Avon (the “City”) recognizes significant public interest in new State laws that took effect July 1, 2022, that now make it legal to sell certain edibles and beverages infused with tetrahydrocannabinol (THC), the cannabis ingredient extracted from hemp.

B. The purpose of the moratorium is to allow the City of Avon time to complete an in-depth study to effectuate changes to the Zoning Ordinance and City Code that would regulate the sales, testing, manufacturing, and distribution of cannabis and cannabidiol (CBD) for medical, recreational, and other purposes, in addition to the sale of hemp derived tetrahydrocannabinol (THC) food and beverages.

C. Minnesota Statutes Section 462.355 allows the City to adopt a temporary interim ordinance for a period of up to twelve (12) months from the date it is effective to allow for such study and adoption in order to protect the public health, safety, and general welfare of its citizens.

D. The sale and manufacture of THC products does implicate public health, safety, and welfare, in regards to ensuring such products comply with state law, are not marketed and readily available to persons under age 21, and are located within suitably zoned areas in the City.

SECTION 2: Prohibition

A. Pursuant to Minnesota Statutes 462.355, the City hereby adopts and approves this interim ordinance establishing a moratorium temporarily prohibiting within the City of Avon the sales of hemp derived tetrahydrocannabinol (THC) food and beverages.

B. During the effective period of this interim ordinance, the City of Avon will prohibit the sales of hemp derived tetrahydrocannabinol (THC) food and beverages pending completion of the above referenced study and the adoption of appropriate official controls.

C. In addition, no application related to the license, use, development, variances, conditional use permits, or any other planning or licensing application that involves the sales, testing, manufacturing, or distribution of cannabis, medical or recreational, in any way, and cannabidiol products shall be accepted or considered for twelve (12) months from the effective date of this ordinance or until ordinances regulating such uses become effective, whichever occurs first.

D. Preexisting business before July 1st will be allowed to continue to operation as they were before the law went into effect July 1, 2022.

SECTION 3: Effective Date and Duration

A. This interim ordinance shall exist for a period of twelve (12) months from and after its adoption.

B. This interim ordinance is hereby adopted by the City Council of the City of Avon this 15th day of August 2022 and shall be effective upon publication.
(Ordinance No. 230)

ORDINANCE NO. 231

THE CITY OF AVON DOES ORDAIN:

PREAMBLE: The following ordinance is necessary for the immediate preservation of the public peace, health, morals, safety, and welfare because of the inherent risk of injury to persons related to the recently legalized sale of edible cannabis products, lower potency hemp edibles, and other cannabis products, concentrates, and flower as defined in Minn. Stat. 342.01, Subd. 3, 4, 15, 16, 31 and 50. A prohibition on the retail sale of such products is necessary to ensure that the City has sufficient time to study reasonable time place and manner restrictions that will protect the health and safety of the residents of Avon.

Section 1. Authority and Findings.

- A. The Minnesota Legislature recently enacted Minnesota Statutes, §342.01, et seq. relating to the sale of edible cannabis products and lower potency hemp edibles. The new law permits the City to adopt an interim ordinance to regulate, restrict, or prohibit the operation of a cannabis business within the City until January 1, 2025 for the purpose of conducting studies for considering reasonable restrictions on the time, place, and manner of the operation of a cannabis business.
- B. The City Council believes that authorizing a study regarding the types of uses that involve the retail sale of edible cannabis products, lower potency hemp edibles, and other cannabis products, concentrates, and flower is necessary to evaluate the regulatory options available to the City and is for the purpose of protecting the health and safety of Avon's residents.

Section 2. Study. The City Council hereby authorizes and directs City staff to conduct a study of the issues relating to the retail sale of edible cannabis products, lower potency hemp edibles, and other cannabis products, concentrates, and flower. Staff will then make a recommendation to the City Council about whether the City should amend its zoning, business-licensing, or other general Code provisions related to these types of uses to better protect the residents of Avon.

Section 3. Moratorium. In accordance with the findings set forth herein, a moratorium is established as follows:

- A. The retail sale of edible cannabis products, lower potency hemp edibles, and other cannabis products, concentrates, and flower is hereby prohibited, for a period ending on January 1, 2025, or until the Council repeals this Ordinance, whichever occurs first.
- B. During the term of this Ordinance, the City staff will not issue any registration, nor will it accept or process any applications for uses related to the retail sale of edible cannabis products, lower potency hemp edibles, and other cannabis products, concentrates, and

flower.

Section 4. Enforcement. In addition to any criminal penalties allowed by law, the City may enforce this Interim Ordinance by injunction or any other appropriate civil remedy in any court of competent jurisdiction. A violation of this Ordinance is also subject to the City's general penalty in Section 10.99 of the Avon City Code.

Section 5. Severability. Every section, subsection, provision, or part of this Ordinance is declared severable from every other section, subsection, provision, or part. If any section, subsection, provision, or part of this interim ordinance is adjudged to be invalid by a court of competent jurisdiction, such judgment shall not invalidate any other section, subsection, provision, or part.

Section 6. Effective Date; Duration. This interim ordinance shall become effective immediately upon its unanimous approval by all members of the Council; however no prosecution based on the provisions of this Ordinance shall occur until twenty-four hours after the Ordinance has been filed with the city clerk and published, unless the person charged with violation had actual notice of the passage of the Ordinance prior to the act or omission complained of. It shall be effective until the earlier of the following events: (a) one year from the effective date of this Ordinance or (b) the date upon which the City Council adopts an ordinance repealing this Ordinance.

Section 7. Summary. That the following summary clearly informs the public of the intent and effect of the Ordinance and is approved for publication: "The purpose of this Ordinance is to authorize a study related to the retail sale of edible cannabis products, lower potency hemp edibles, and other cannabis products, concentrates, and flower and the regulation of other cannabis related businesses. Staff will then make a recommendation to the City Council about whether the City should amend its zoning, business-licensing, or other general Code provisions related to these types of products and associated uses to better protect the residents of Avon. During the term of this Ordinance, the retail sale of edible cannabis products, lower potency hemp edibles, and other cannabis products, concentrates, and flower are prohibited."

Passed by the City Council this 10th day of July, 2023.
