

BOULEVARD/EASEMENT/RIGHT OF WAY REGULATIONS

A few reminders about the use of public property like boulevards, easements, or road right of way as we have gotten a number of complaints this summer particularly about signs and other obstructions being placed in boulevards or public right of way. Although adjacent property owners are required to maintain them, these areas are public property, governed by city ordinances which dictate the following and can be found online at www.cityofavonmn.com: It is unlawful to place anything that interferes with, obstructs the ordinary use of, or renders dangerous for passage, any public highway or right-of-way used by the public. Private signs are prohibited within the public right-of-way of any street or easement.

Thank you for keeping our community beautiful and safe!

*****REMINDER: Snowplowing will occur when more than 2" of snow has fallen*****

Please clear your sidewalks and hydrants. It is the responsibility of property owners to clear the sidewalks adjacent to their property. Keep sidewalks and hydrants clear for emergency personnel and others!

SUMP PUMP IMPORTANT NOTICE!!

The water/sewer department would like to remind all homeowners in Avon to make sure your sump pumps are pumping outside and NOT into floor drains which then goes into the sanitary sewer system. This causes inefficiency and added costs to treating wastewater. Thank you for your cooperation!
